Principal's Note

"Let us hold unswervingly to the hope we profess, for he who promised is faithful. And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another - and all the more as you see the Day approaching."

Hebrews 10: 23 - 25

During this past year, meeting and gathering with family and friends has been challenging. It has been difficult to gather in large groups. It's for this reason that I am especially thankful that we have been able to be in school, in person, for most of this year. I am also thankful for the opportunity we have to hold our annual society meeting next week. I want to thank all of you for your continued support of EMCS. Above all, I am thankful for God's continual protection and provision.

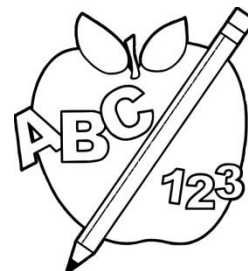

In Christ,
Gail Riddering
