Principal's Note

"I lift up my eyes to the mountains—
where does my help come from? My
help comes from the Lord, the Maker
of heaven and earth."

Psalm 121: 1,2

As COVID-19 continues and as our nation continues to experience such great unrest and division, may we find our hope and comfort in the words of this Psalm.

In Christ,
Gail Riddering

Midwinter Break –February 19 & 22 / PD Day March 19

Mid winter break was inadvertently left off the calendar that was published in the directory. We apologize for that omission and for the late notification change.

There will be no school for the students on Friday, February 19 and Monday, February 22. The teachers will have Professional Development the morning of the 19th.

Friday, March 19 has been added as a Professional Day for teachers. Students will have a 1/2 day of school with a dismissal at 11:00. Bussing will be available because this follows Martin's schedule as well.

Encyclopedia Set Available

If you are interested in a 1996 Collier's Encyclopedia set, call school.

Snow Days/Inclement Weather

Just a reminder that **if Martin Public School closes due to inclement weather, then we are closed as well**, even if you don't see East Martin Christian specifically listed. On snow days, there will be no virtual school. Notification of a snow day will come via Honeywell and/or email. However, I would also suggest signing up for school closing alerts through the tv stations. Some stations have text alerts, some use an app. When in doubt, **please check email before leaving for school in the morning**.

Christmas Program Postponed

We are still hoping to reschedule the Christmas Program. Please keep an eye on the newsletter and your email for the rescheduled date(s).

Bi-weekly Newsletter

Please note, starting this week, the newsletter is going to be distributed on a bi-weekly basis, so there won't be a newsletter next week. If an announcement is important and cannot wait until the following week, an email will be sent .
