Principal's Note

What a joy it has been to be back at school and see the smiling faces of the students come back through the doors! To make it even more special, all of the floors have been waxed to a bright shine over the break. Thank you for all of your hard work, Dan VanGemert and John Schipper — it really looks great! Mrs. Helder and Mrs. Myers also put down activity floor stickers in the lower elementary hallway for the students. Come give it a try!

Also over the Christmas break, we moved the preschool students into the gym and the younger classrooms while we worked on their room. It now has an entrance into their own bathroom, with fresh paint, sparkling floors, and very appreciative teachers. Thank you, Scott Tuinstra and Joel DeYoung. Many people helped with moving, cleaning, painting, and providing various other kinds of help to get this work completed. This and the work on the floors is a wonderful example of the body of Christ working together. All of you have made many teachers and kiddos happy. God bless you, every one!

Wild Game Dinner

The Wild Game Dinner has been set for February 8, with the doors opening at 4:00, Dutch auction and silent auction, dinner at 5:00, and the speaker, Fred Abbas, after dinner. Mr. Abbas is the former co-host of A-Way Outdoors, is a record holder for trophy buck entries in record books, and an inventor of many things related to hunting. This event is a fun way to support our school. Hold your spot by emailing to emcswildgamedinner@gmail.com.

Kindergarten Roundup

We are looking ahead to next year's kindergarten, and ask you to reach out to families who might consider East Martin Christian School for their family. If you know someone who may be interested in our school, please share the attached flier and encourage them to come to Kindergarten Roundup at 9:00 on March 21. Call the school to reserve a spot or sign up on our website under the News and Events tab.

Brrr! It's COLD outside!

While it is hard to believe, January has rolled back around. As a reminder, all students in kindergarten through eighth grade have outdoor recess, so they need to be dressed for the weather. Please send them with boots, hats, gloves, a warm jacket, snow pants in the lower grades, and for the older students, pants that are long enough to tuck into their boots. Bare legs get chilly in single digits or lower weather!

When the weather is especially cold, we do sometimes keep them in the gym for recess, but being outside is good for the students, and we do our best to spend time outside every day. Please do not plan on them being inside — we make that decision at the time of the recess based on wind, temperature, and precipitation factors.

“For as the rain and the snow come down from heaven and do not return there but water the earth, making it bring forth and sprout, giving seed to the sower and bread to the eater, so shall my word be that goes out from my mouth; it shall not return to me empty, but it shall accomplish that which I purpose, and shall succeed in the thing for which I sent it.
