### Principal's Note

As we plan for the end of the year, I am looking forward to doing or having so many of the events we missed last year such as the fine arts extravaganza and field trips! It's exciting to look forward to these in person events. At the same time, we are already planning for next year. Earlier this week, enrollment forms were sent home. If you could return those by June 1, we'd greatly appreciate it. It will help us as we prepare for next year. We look forward to partnering with you and teaching your child with a foundation built on God's word.

In Christ,  
Gail Riddering
