Principal's Note

We are planning to have Gale Volkerding from Pine Rest visit our school on Thursday, October 31 to discuss safe touch with our students. Safe touch lessons teach students about appropriate and inappropriate touching. This is intended to promote healthy relationships and will be addressed in an age-appropriate manner to preschoolers through eighth grade students. We will also have a meeting with any parents who wish to meet her and ask questions in the morning before she meets with any students. As soon as the meeting times are available, the information will be sent out to parents.

Reminder No School 10/24-10/25

There is no school October 24th-October 25th for the CEA Convention.

Kitchen Towels Reminder

If you are using the kitchen and use towels, please wash and return them quickly. We have towels that have been missing for a couple of weeks, and our towels are used for many events. Please return any school towels that you have. Also, please do not use a towel and leave it in the kitchen to dry. After every use, towels should be laundered. Thank you for helping us comply with proper health standards.

Art Class

Mrs. Helder is looking for free wooden bar stools to use as seating for students in the art room. If you have any to donate, please bring them to school and put them in the art room. Thank you for your generous support!

Parent-Teacher Conferences

Parent-teacher conferences are on the evening of Thursday, November 7. We schedule all families for conferences and prefer to schedule when it works best for your family. If you did not receive a form to sign up for conferences or misplaced yours, there are some available on the wall in the front hallway where extra newsletters are placed. Please fill out the form and return it to school by Monday, October 28th. We attempt to make the schedule work as best we can for families, but we cannot promise exact times. We'll send home a schedule so that you know when you have conferences with teachers. Thank you!

TRIP Program

Bonus Fest is running now through October 25th. There will special bonuses on a variety of vendors each day. Just make sure to put your order in that day in order to claim the bonus. Check it out each day at <https://www.shopwithscrip.com/> to see the bonuses each day.

Tuition Reduction Incentive Program (TRIP) is a great way for you to reduce your tuition bill. The TRIP "store" hours are Wednesdays from 8-8:15, unless otherwise noted. There is a TRIP mailbox in the entryway at school with more information and enrollment info. If you have any questions, please feel free to contact Jen DeYoung 269-672-7496 (call or text).
