TRIP INFORMATION

(Tuition Reduction Incentive Program)

Would you like to bring down the cost of your tuition? If you buy groceries, go to restaurants or buy gas? Then this is the program for you! Even if you do not have kids in school you can participate and use your earnings for someone else's tuition, have the rebate sent to other participating schools, the General Fund or bank up an account at EMCS for use in the future.

To be a part of the TRIP program, you need to enroll online at www.shopwithscrip.com and use enrollment code #3529B151124. You can find a list of participating retailers on the website. If you prefer to not order online, we can place the order in for you. While you are enrolling it would also be good to sign up for Presto Pay because then you can order ScriptNow and print off your own cards to use right away, which is very convenient for you. Otherwise, you enter your order online, get a check to Jen DeYoung by Wednesday @ 8:15 AM, and you will receive your cards the following Wednesday. Jen will be at school on Wednesday, from the start of school until 8:15 to hand out the previous week's orders and to pick up new orders and checks. We will try to have Meijer (4% rebate) on hand for those who need it right away. There are getting to be more stores and restaurants on ScriptNow, so you do not need to wait to get your cards, simply print them! The school earns 1% of all the orders and you get the difference of the discount towards your tuition, someone else's tuition, your account or the general fund.

Harding's no longer participates in the TRIP program. However, they have a community rewards program. The attached sheet provides the necessary information if you choose to participate.

If you are a new participant with the TRIP program or you need to update your information, please fill out a 2018/2019 TRIP Registration Form.

Tuition credits from TRIP will be posted in December and June.
